DOWNTOWN DEVELOPMENT

Don’t miss this exciting opportunity to learn and discuss the exciting developments occurring in Louisville’s Downtown. Come hear about the new development initiatives that are bringing together retail, and government officials.

The Next Generation program offers a unique opportunity to meet and interact with peers, share experiences and exchange ideas. Next Generation events also welcome seasoned professionals who wish to give back to the industry by becoming a mentor.

The Alliance Program is a special ICSC initiative that provides forums for the public and private sectors to network, share ideas, discuss industry issues and explore retail development opportunities. Positive relationship building is paramount for successful development. ICSC Alliance meetings are both time and cost effective opportunities for public officials, developers, brokers, retailers and other industry leaders to grow their relationships and learn from one another. ICSC members and non-members are welcome to attend.
