The Evolution of Bricks-and-Mortar Retail

Bricks and mortar is thriving! Throughout the Lower Mainland, billions of dollars are being invested by developers to reinvent the enclosed mall experience, bringing us into the age of Leisure 2.0. What will bricks and mortar look and feel like with the opening of new mall experiences such as the Amazing Brentwood, Lougheed Town Centre, Oakridge Centre and Coquitlam Centre, to name a few? How are tenants adapting to the evolving retail landscape? Join us at the Vancouver Next Generation Spring Program to learn more.
