**Regional Expansion Daycares**

Join us as we hear from architect Justin A. Mihalik, AIA NCARB, Principal at JAM ARCH on the regional expansion of daycares and what they look for in a site. From new construction to renovating existing structures, we will explore the needs and challenges of opening a new daycare. Following the presentation, network with peers at U-Bahn while enjoying drinks and appetizers.

ICSC is partnering with the Philadelphia School District and Councilman, Derek Green, to collect much needed school supplies. Their top priorities are reams of paper and earbuds/headphones but we are also collecting #2 pencils, composition books, folders, pink erasers, crayons, etc. Donations will be collected at the registration desk.
