

Have a great idea for a MasterClass or Ideation Lab? Have an industry connection who you would like to see speak? Does your team want to share lessons learned from an exemplary project? The CenterBuild planning committee welcomes you to contribute to the content of the 2025 conference!

The program of CenterBuild aims to provide attendees opportunities to connect with industry colleagues and exchange ideas.

The content sessions are:

- **Masterclasses** will highlight innovative mixed-use projects and experiential retail
- **Ideation Labs** are interactive, collaborative and creative sessions to play, debate, and interpret ideas relevant to the future of our industry
- **Roundtables** will host relevant design and development topics

Please use this link to provide your contact information and a brief summary of your idea:
