

Summary of Qualifications for Consideration to the 2024 ICSC+CENTERBUILD Program Planning Committee

(If accessing this page via the App, please visit the ICSC website for a downloadable version of the application.)

Date: _____

Name: _____

Company and Address: _____

Email Address: _____

Direct Phone: _____

Mobile Phone: _____

Professional Credentials or Accreditations: _____

1. Are you currently a member of ICSC, and if so for how many years? _____

2. How many years have you attended ICSC+CENTERBUILD? _____

3. How have you participated in the program content at ICSC+CENTERBUILD such as speaking on a panel, lead a Roundtable, etc.? Please be as specific as possible such as identifying the year and specific session type and type of participation.

4. Have you previously attained your ICSC CDP credential? If not, do you have plans to pursue the current ICSC CRRP credential?

5. Have you participated in the program content or planning of other ICSC events? If so, please detail with the year and specific session type and type of participation.

6. The committee will have several meetings as part of the planning process that will require a financial and time commitment outside of your day-job duties as described in the Tasks & Responsibilities document. Have you discussed this with your supervisors and have the support of the company in all aspects?

7. Serving on the committee entails time commitment outside of meetings. The success of the conference is entirely dependent upon the successful completion of tasks by each committee member. In addition, we look for committee members who are well-connected within the industry so that they can use these connections as a resource for program content.

Briefly explain why you feel that you can be a great asset to ICSC+CENTERBUILD Program Planning Committee.

Submit completed application to both:

Mike Kolakowski at mkolakowski@kbebuilding.com and Stacey Berthon at sberthon@hoar.com
