- Shopping Centre Tours to Singapore's leading retail destinations, on Monday, October 21

Welcome Cocktail | October 21 | 5:30 pm | Chimes Hall

The construction of the neo-gothic Chapel was completed in March 1902 and in 1990 it was gazetted as a National Monument of Singapore. Built with striking architectural features that have remained throughout its existence, the 19th century neo-gothic chapel holds an elegantly lit up interior space. With its high ceilings and stained glass windows, Chijmes Hall offers its guests a unique ambience with regal charm.
