Professional Development Workshops

4:00 – 5:30 pm

A. Reinvention: Redeveloping, Repositioning, and Reimagining Your Center

During the lifespan of every shopping center, there will come a time when the center must be renovated, expanded, reconfigured, or redeveloped. This session addresses the challenges and opportunities in redeveloping existing retail properties. We will explore

topics including strategic vision, mixed-use, government sponsorship and support, value enhancement, construction challenges, co-tenancy, and more!

B. Lease Workouts: Negotiating Rent Reductions, Concessions, and Other Workouts

It's never the ideal situation when one of your tenants is going through a tough time, but it is an inevitable truth that landlords will have to grant concessions or workouts at one time or another. This session will help landlords to better navigate how to deal with troubled leases and develop a plan to successfully negotiate the most ideal lease workouts or restructures. Topics include: Assessing the importance of the tenant to your center; knowing how and when to compromise; and discovering the best workout solutions for varying troubled lease scenarios.

Career Development Workshops

3:15 – 4:00 pm

NEW! Career Development Workshops for Students and Emerging Professionals

We're offering four Career Development Workshops at this year's Conference. These workshops are designed for students and emerging professionals to learn what one needs to do to advance in commercial real estate today. The sessions are 45 minutes in length and highly interactive, led by experienced industry leaders who are volunteering their time to give you some valuable advice and direction.

Professional Development Workshops

10:00 – 11:15 am

A. Industrial Real Estate Outlook: Its Growth and Where It's Going

Red River States Conference & Deal Making

With consumers' continued demand for convenience and rapid delivery, the industrial sector is experiencing an ongoing surge in growth in large part due to e-commerce's need for warehouses and distribution centers to house their inventory. Join us as we delve into where this area is going, and key points to consider.

B. The Business of Food: Crafting Restaurant Deals

Today's retail real estate industry requires property managers, leasing agents, and asset managers to understand the fundamentals of food operations. This session will address key restaurant deal components, including: operational and financial concepts, best practices, and controls to ensure success in this high-risk category of business. Knowing how restaurant operations fit together and are utilized will increase confidence, enhance communications, and lead to informed business decisions.
