

ICSC serves the global retail real estate industry – a diverse group of businesses that includes the developers and operators of retail properties, as well as the tenants who occupy them, ranging from retailers to professional services to restaurants. We provide our 70,000+ member network in over 100 countries with invaluable resources, connections and industry insights and actively work together to shape public policy. Our data demonstrates the depth and breadth of the industry’s economic impact. Data associated with the retail real estate industry includes both shopping centers and freestanding retail establishments. In cases where this data was not available, we refer to shopping centers only.
