

Position: Intern
Department: Property Management
Location: West Region Office—Carlsbad, CA

Great real estate matters, but great people matter even more.

Join us and begin your commercial real estate career today. You'll be given plenty of room to grow. Headquartered in New York City, Brixmor is one of the largest open-air shopping center companies in the country, with major real estate operations in the Atlanta, San Diego, Chicago and Philadelphia markets, and 16 offices nationwide.

Position Requirements:

The property management intern will assist the property management teams in their day to day responsibilities related to the operation and maintenance of the company's shopping centers. Responsibilities will include the assistance in one-off projects, lease and contract research, data base creation, processing and maintenance, as well as collection and presentation of property specific information.

This position provides a practical way of learning Brixmor's portfolio of assets and the retail real estate business. Property site visits with local Property Managers will provide an opportunity to view the Property Management process first-hand.

Skills required:

- Interest in Real Estate
- Basic knowledge of Word, Excel and PowerPoint.
- Ability to multi-task and quickly complete projects with a high degree of accuracy
- Excels in a team-oriented work environment
- Excellent interpersonal, verbal, and written communication skills
- Exhibits a strong work ethic and accountability to deadlines
